[elbo.ws](#)

Elbows is a collection of great music blog posts and is meant to provide you a snapshot of what's going on in this new genre of blogging. Please take the time to visit each of the blogs listed on this page to learn more about new artists and buy their albums and, when you're through buying up all the CDs or iTunes tracks, click on some of the blog's sponsors so that they may keep providing us with such great information.
